Exciting Changes at Kirbys...

There's been a great deal happening behind the scenes at Kirbys as we continue to invest in the future of our holidays and day trips. All with the aim of bringing you even more memorable travel experiences.

We are delighted to now offer more modern coaches for an even more comfortable journey by outsourcing coach operations to SBC Leisure. This allows you to continue enjoying the same trusted Kirbys experience, alongside the friendly service and familiar faces that remain at the heart of everything we do.

We have also refreshed our Rayleigh office to create an even more welcoming space for our customers and recently hosted our first successful coffee morning, with more planned in the near future. As part of our continued growth, we have expanded our day trip programme further towards London through the acquisition of East London Travel, enabling us to welcome even more customers to the Kirbys family.

Alongside these exciting developments, we're offering more choice than ever before, with holidays and day trips to suit a variety of tastes and budgets, now even more to discover within these pages. Whilst there may be exciting developments around us, the heart of Kirbys remains exactly the same — a family-run company dedicated to providing exceptional holidays, friendly personal service, and enjoyable journeys from start to finish.

And this is only the beginning, with even more exciting experiences still to come.

All the best from the

Kirbys Team

DO I NEED TRAVEL INSURANCE?

While travel insurance isn't legally required for UK holidays, we strongly recommend it for your peace of mind – it can offer valuable protection in the event of unexpected issues. For certain overseas destinations, travel insurance is a requirement, and we'll always make this clear in the holiday details. If you're unsure or need advice, our team will be happy to help point you in the right direction.

WHAT IF I HAVE MOBILITY ISSUES OR SPECIAL REQUIREMENTS?

We'll always do our utmost to accommodate your needs. Please let us know at the time of booking so we can check the suitability of your chosen holiday and make any necessary arrangements. It's important that we're notified at the time of booking if you'll be bringing any mobility aids such as a wheelchair, walking frame, or scooter. Please note there are three steps to board our coaches.

CAN YOU CATER FOR DIETARY REQUIREMENTS?

Of course – we must be made aware at the time of booking and we'll pass on any dietary requirements to hotels and venues.

WHAT HAPPENS IF I NEED TO CANCEL?

Please contact us as soon as possible. Cancellation charges apply depending on how close it is to the departure date, please see grid Section 7 in Booking Conditions on Page 50.

DO YOU OFFER GIFT VOUCHERS?

Yes – Kirbys gift vouchers are a wonderful way to treat someone special. They can be used towards any holiday or day excursion and are available from a minimum of £5.

DO YOU OFFER GROUP BOOKINGS?

We do! Whether it's a club, workplace, or simply a group of friends, we'd be delighted to tailor something special just for you. Get in touch to find out more.

WHAT HAPPENS IF KIRBYS CANCEL A HOLIDAY?

In the event we have to cancel, you'll receive this from us in writing with the option of a full refund or to transfer to another holiday – whichever you prefer.

1. You are fit to travel and undertake your planned trip when you take out this policy, book your trip or at the time you travel (whichever is later).
2. Following any claim investigation, your doctor confirms they would have agreed with or recommended your travel plans when you took out this policy, booked your trip or at the time you travelled (whichever is later).
3. You are not travelling for the purpose of having medical treatment or a consultation during your trip.
4. You are not awaiting any medical tests, investigations or surgery, or the outcome of any tests or investigations when you take out this policy or book your trip (whichever is later).

- You know you will need medical treatment or a consultation at a medical facility during your trip.
- You are travelling specifically for the purpose of having surgery, medical procedures or hospital treatment, whether medically necessary or not.

The scheme will also ensure your repatriation in the event the company becomes insolvent. Our Trading Charter and Booking Conditions set out clearly and simply the responsibility we have to you and in turn, you have with us, when a contract is made. Please see the Consumer Guarantee at <https://www.abtot.com/bch-abtot-members-directory/> There is no financial protection if you purchase just transport or accommodation-only from us. We fully comply with the Package Travel and Linked Travel Arrangements Regulations 2018. The combination of travel services offered to you is a package holiday within the meaning of the Regulations. Therefore, you will benefit from all rights applying to package holidays. Kirby's Coaches will be fully responsible for the proper performance of the holiday and providing assistance if you are in difficulty. Your key rights will be in the details of the tour which will be provided prior to booking.

2. Booking and Payment

When a booking is made, the 'lead name' on the booking guarantees that he or she is 18 or over and has the authority and accepts on behalf of the party the terms of these booking conditions and pays the deposit indicated in the brochure and as confirmed in the pre-contract information. After we receive your booking and all appropriate payments, if the arrangements you wish to book are available, we will send you or your booking agent a confirmation invoice. Our Trading Charter and Booking Conditions set out clearly and simply the responsibility we have to you and in turn, you have with us, when a contract is made. Please see the Consumer Guarantee at <https://www.abtot.com/bch-abtot-members-directory/> There is no financial protection if you purchase just transport or accommodation-only from us. We fully comply with the Package Travel and Linked Travel Arrangements Regulations 2018. The combination of travel services offered to you is a package holiday within the meaning of the Regulations. Therefore, you will benefit from all rights applying to package holidays. Kirby's Coaches will be fully responsible for the proper performance of the holiday and providing assistance if you are in difficulty. Your key rights will be in the details of the tour which will be provided prior to booking.

Single occupancy of rooms, when available, may be subject to a supplementary charge and these will be shown in the brochure. You can book by paying a deposit for each person named on the booking, but our commitment is always conditional upon the balance being paid as below.

Deposit £75 per person, unless otherwise stated on our Cruises, Flying and Continental Holidays. The balance of the price of your holiday must be paid at least 12 weeks before your departure. If you book within our balance due period, you will need to pay the total holiday cost when you book. If the balance is not paid in time, we reserve the right to cancel your holiday, retain your deposit, and apply the cancellation charges set out in the paragraph below. The date of cancellation will normally be the date we receive your written confirmation that you intend to cancel or 15 days after the balance due date, whichever comes first. Where optional items are purchased as part of the holiday, these are payable on the balance due date except where items, such as theatre tickets, have been specifically purchased for you. In this case the cost will be payable at a separate date notified to you and will not normally be refunded unless we obtain a refund from the supplier we use. Whilst these terms are applicable to all bookings of any number of customers, for some group bookings there may be additional terms or information – we will provide those to you at the relevant time.

3. Brochure Accuracy

Although Kirby's Coaches make every effort to ensure the accuracy of the brochure information and pricing, regrettably errors do sometimes occur, and where they do we reserve the right to correct prices and other details. You must therefore ensure you check the price and all other details of your holiday with us at the time of booking and when you receive our confirmation invoice.

4. Our Pricing Policy

Kirby's Coaches endeavour to ensure that the most up to date and correct prices are shown in our brochure. Occasionally, an incorrect price may be shown, due to an error. When we become aware of any such error, we will endeavour to notify you as soon as possible. If the error is a result of a mistake or as soon as reasonably possible. We reserve the right to cancel the booking if you do not wish to accept the price which is applicable to the holiday. Local Authorities in many towns and cities throughout Europe have introduced new tourist taxes which must be paid directly to the hotel by all guests in person. These taxes are not included in our prices, but we will notify you when applicable.

Holiday prices include all travel, hotel accommodation and meals as specified in the holiday description and VAT payable in the UK where applicable. The price of the holiday will not include any special or optional items or services arising from exchange rate changes, transportation including the price of fuel, air & ferry operator fares and tolls, embarkation or disembarkation fees at terminals, duties and taxes (including the rate of VAT). If this means the total cost of the holiday increases by more than 8% then you are entitled to cancel your holiday and receive a full refund of all monies paid except any insurance premium and amendment charges. We will communicate the options with you either through email or letter, with a reminder if necessary, if you exercise the right to cancel, we must receive written notice within 20 days of the date of the surcharge invoice. The currency exchange rate used in the holiday costings are based on rates as at Wednesday 20th August 2025.

5. If you change your booking

If, after our confirmation has been issued, you wish to change to another of our holidays or change departure date, we will do our utmost to make the changes, but we cannot guarantee to do so. However, notification must be received in writing at our offices from the person who signed the booking form, at least 12 weeks before departures. This must be accompanied by a payment of £10 to cover our administrative costs, plus costs we incur in making the amendment. Alterations cannot be made within 8 weeks of departure and any such request for an alteration will be treated as a cancellation of the original booking and will be subject to the cancellation charges set out in paragraph below. Some arrangements cannot be changed without paying a cancellation charge of up to 100% of the ticket cost.

6. Transferring your booking

You can transfer your booking to somebody else, but the person must satisfy all the conditions of the holiday and you must inform us either by letter or email no less than 7 days before departure. This transfer will cost £20 plus reasonable costs to make the transfer. You will remain responsible for ensuring payment before the balance due date. This is in addition to (and does not affect) the separate liability of the transferee to us.

7. If you need to cancel your holiday

You or any member of your party, may cancel your holiday at any time provided the cancellation is made by the person signing the booking form and is communicated to us in writing via the office who made your original booking. You must pay cancellation charges to cover our administration costs and to compensate for the risk of us not reselling the holiday. If the holiday is resold a refund will be made. Your cancellation will take effect from the date on which we or our agent receive your written confirmation of your cancellation. You must also return any tickets or vouchers you have received. A reduction in room occupancy may increase the charges for the remaining passengers by the application of supplements for low occupancy of rooms. Where bought in supplies, such as ferries, hotel accommodation etc have been bought in on your behalf, and where the terms and conditions of the supplier are non-refundable, these products will be charged to you at the full retail rate. If this applies, the non-refundable items will be deducted from your holiday costs and the following scale of charges will be applied to the remainder:

Period before departure within which written cancellation of package price is received	Amount of cancellation Charge as a % of total package cost
More than 60 days	30% or deposit if greater
59 – 30 days	50%
29 – 15 days	70%
14 – 7 days	90%
6 – 0 days	100%
Departure day or later including voluntary termination during the package	Total package cost

You may cancel your holiday without paying any termination fee before the start of the holiday, in the event of unavoidable and extraordinary circumstances occurring at the place of destination or its immediate vicinity, for instance, if there are serious security problems at the destination which are likely to affect the package.

8. Alterations to your holiday by us

We hope that we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make minor changes. We reserve the right to do this at any time. We will let you or your booking agent know about any important changes as soon as possible, including the minimum number of passengers required on the trip. If after booking, and before departure, we make a major change to your holiday, you will have the option of withdrawing from the holiday or transferring to another holiday without any charge. In either case, we will pay you compensation, according to the scale set below. A major change includes the time of your departure or return time by more than 12 hours, a change in departure point, location of resort or type of hotel, a change in cross Channel travel, or specification of the coach. If we tell you about any of these changes after we have confirmed your holiday booking (other than force majeure), you may either:

- accept the new arrangements offered by us; or
- accept a replacement holiday from us of equivalent or similar standard and price (at the date of the change), if we can offer you one; or
- cancel with us and receive a full refund of all monies.

Either way, we will pay you compensation, using the Compensation table shown below:

Period before departure in which significant change is notified to you or your agent	Amount per person
More than 30 days	Nil
22 to 29 days	£10
15 to 21 days	£15
8 to 14 days	£20
0 to 7 days	£25

IMPORTANT NOTE Compensation will not be payable if the holiday is cancelled because the number of persons booked is less than the number required, or for events beyond our control, which include: war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, natural and nuclear disasters, fire, epidemics, health risks and pandemics, unavoidable and unforeseeable technical problems with transport for reasons beyond our control or that of our suppliers; hurricanes and other actual or potential severe weather conditions and any other similar events. You are also advised to check with The Foreign and Commonwealth Office Advice Unit regularly at <https://www.gov.uk/browse/abroad/travel-abroad> prior to travel.

All holidays operate if the minimum number of participants is met. However, in no case will we cancel your holiday less than 3 weeks before the scheduled departure date, except where you have failed to pay the final balance or because of force majeure (force majeure means an event which we or the suppliers of the services in question could not foresee or avoid and is therefore beyond our control).

9. Our responsibility to you

We accept responsibility for ensuring the holiday which you book with us is supplied as described in our publicity material and the services offered reach a reasonable standard and if you are in difficulty, we will assist you. If any part of our holiday contract is not provided as promised, you may terminate the contract without paying a termination fee and we will pay you appropriate compensation if this has affected your enjoyment of your holiday. We will, however, not be liable if there are any unforeseeable or unavoidable actions of a third party not connected with our travel services (as confirmed in the confirmation invoice and any other information we provided to you regarding the services), or there were unavoidable or extraordinary circumstances, or the lack of conformity is due to a traveller in the party. We accept responsibility for the acts and/or omissions of our employees, agents and suppliers except where they lead to death, injury or illness. Our liability in all cases shall be limited to a maximum of three times the value of the original holiday cost (not including insurance premiums and amendment charges). We accept responsibility for death, injury, or illness caused by the negligent acts and/or omissions of our employees or agents together with our suppliers and sub-contractors, servants and/or agents of the same whilst acting within the scope of, or during their employment in the provision of your holiday. We will accordingly pay to our clients such damages as might have been awarded in such circumstances under English Law. In respect of carriage by air, sea, tunnel and rail and the provision of accommodation our liability in all cases will be limited in the manner provided by the relevant international convention.

If we make any payment to you or any member of your party for death or personal injury or illness, you will be asked to assign to us, or our insurers the rights you may have to act against the person or organisation responsible for causing the death, personal injury or illness. This clause does not apply to any separate contracts that you may enter for excursions or activities during or outside of your holiday. If you or any member of your party suffer death, illness or injury whilst overseas arising out of an activity which does NOT form part of your holiday, we may offer guidance and where legal action is contemplated and you want our assistance, you must obtain our written consent prior to any proceedings (We limit the cost of our assistance to you or your party to £5,000 per party)

10. If you have a complaint

If you have a problem during your holiday, please inform your Tour Manager, your driver or the relevant supplier/resort representative immediately who will endeavour to put things right. If your complaint cannot be completely resolved locally, you must complete a Holiday Report Form which can be obtained by your driver or local representative, which you should keep. Our contact number, for unresolved complaints will be our office number on 01268 777777 (open in office hours) If you remain dissatisfied please follow this up within 14 days of your return home by writing to Kirby's Coaches giving your original booking reference number and all other relevant information, including the reference of the Holiday Report Form. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative whilst in resort and obtain a written report form. If you fail to follow this simple procedure, we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem. Should you wish to pursue the complaint further, BCH ABTOT have an Alternative Dispute Resolution scheme and full details are available from them. Please contact them at ABTOT 69 Leadenhall Street London EC3A 2BG.

11. Our Coaches

We will always use our reasonable endeavours to provide a coach to the specification in our brochure or advert but reserve the right to substitute an alternative vehicle should there be unforeseen circumstances. There is a seating plan but, in some cases, operational reasons may require a coach with a different configuration. We reserve the right to alter a coach seating plan and allocate seats other than those booked. Single passengers may be required to share a double seat with other single passengers. When your booking is confirmed, you will be offered the best seats that are available at that time. If you feel that you require two seats, then these must be booked and paid for in advance, at the time of booking. If you fail to do this and it transpires that the seat allocated to you is insufficient for your needs and there is no alternative seating available, then you will be refused access to the coach and any payments made will be liable to forfeiture. Specific seats will not be allocated on coaches operating a feeder service between joining points and main holiday departure points or on coaches that carry out transfers between airports, seaports etc. NO SMOKING is allowed on our coaches (including E-Cigarettes) and we do not allow pets or any other animals, although we accommodate registered assistance dogs, but not on overseas holidays.

12. Hotel Facilities

Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

13. Health and Safety

In some foreign countries, standards of infrastructure, safety and hygiene voluntary may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for

complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet "Health Advice for Travellers".

Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, and heart or lung disease. Some people may have had major surgery in the past three months. We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort, which may be caused by periods of immobility.

14. Travel documents, itineraries, pick-up points and passports

We can only provide general information regarding entry, passport, visa, immigration requirements and safety and health formalities applicable to your package itinerary. It is your responsibility to check such requirements (in good time before departure), in order to make your decisions to fulfil such requirements regarding your destination and/or the country(ies) through which you may be transiting through. Such information which you may need to check includes (but is not limited to) passport requirements including (but not limited to) how valid your passport must be after return date, whether your passport must be machine readable, or which visas may be required for entry such as ETA for UK travel and/or ETIAS for EU travel. You must check requirements for your own specific circumstances with the relevant bodies as applicable. We have provided a few useful resources below, though it is your responsibility to check and see if such body would be relevant to yourself.

- Foreign and Commonwealth Office (FCDO) - <https://www.gov.uk/travelaware> (applicable to UK residents);
- UK Passport Office (0870 5210410 or <https://www.gov.uk/browse/citizenship>);
- Embassies, High Commission and/or Consulates;
- Own doctor.

For UK residents booking European travel, you should obtain a UK Global Health Insurance Card (UK GHIC) prior to departure unless you are able to rely upon an existing European Health Insurance Card (EHIC). For travel to Norway, Iceland, Liechtenstein and Switzerland, UK GHIC and EHIC can not be used for medical treatment. Passengers to these destinations should obtain comprehensive medical insurance prior to departure, including cover for emergency medical treatment and associated costs. We do not accept any responsibility if you cannot travel, or incur any other loss because you have not complied with any entry, passport, visa, immigration requirements or health formalities or if you are unable to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any entry, passport, visa, immigration requirements or health formalities. You are responsible for ensuring you are at the correct departure point, at the correct time and with the correct documents. Kirby's Coaches reserve the right to modify itineraries with requests from competent authorities both within the UK and abroad.

15. Special Requests & Excursions

All special needs and requests, if agreed, should be entered on the booking form and be included in the confirmation of the holiday. These could include guaranteed except where confirmed as part of our holiday commitment to you and are detailed on your holiday booking confirmation. We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible. If you will need assistance or may be unable to fully enjoy all aspects of your holiday, you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you need advice or further information either you or your booking agent should contact 01268 777777. If you will require a special diet please tell us at the time of booking, or as soon as you are medically advised, together with a copy of the diet. Excursions which are included in the cost of your contract without an additional charge will not be made for excursions not taken. Optional excursions booked and paid for in resort do not form part of your booking. Admission fees to buildings may not be included in the price of the holiday, please check.

16. Passengers with disabilities

We want everyone to enjoy our travel arrangements. We are happy to advise and assist you in choosing a suitable holiday. It is important that, when booking, you advise us of any disability, specific need or complex need you may have and any special requirements that will make sure the holiday is suitable for you. If a passenger requires personal assistance (such as those with feeding, dressing, toileting, mobilising) then this passenger must travel with an able-bodied companion or carer and written confirmation that such assistance will be provided for the entirety of the holiday is required at the time of booking. Coach drivers/Tour Managers are unable to provide such assistance.

Important

You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members' enjoyment of it before you book your holiday. We reserve the right to request a doctor's certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking. You are responsible for bringing with you the proper clothing and equipment, which we advise you should be in good condition. We want you to enjoy your holiday and will help you select an appropriate trip.

17. Passenger Behaviour

We want all our customers to have a happy and carefree holiday. You are responsible for your behaviour and hygiene and to respect the rights of others. If you or any other member of your party is abusive, disruptive or behaves in a way that could cause damage or injury to others or affect their enjoyment of their holiday or which could damage property, we have the right to terminate your contract with us and we will have no further liability or obligation to you. The coach driver/representative, ship's captain, or similar, authorised official is entitled to refuse you boarding if in their reasonable opinion you are unacceptably under the influence of drink or drugs or you are being violent or disruptive. If you are refused boarding on the outward journey, we will regard it as a cancellation by you and we will apply our original booking reference number and all other relevant information to the contract with you. We also request that mobile telephones are not used on the coach.

18. Travel Insurance

We strongly advise that you take out personal travel insurance for the trip. We have partnered with a travel insurance provider, Wrightsure, which is outlined below. You may use an alternative insurer, but you must advise us. The insurance should cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and you are not insured for the trip, you must complete a Holiday Report Form which can be obtained by your driver or local representative, which you should keep. Our contact number, for unresolved complaints will be our office number on 01268 777777 (open in office hours) If you remain dissatisfied please follow this up within 14 days of your return home by writing to Kirby's Coaches giving your original booking reference number and all other relevant information, including the reference of the Holiday Report Form. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative whilst in resort and obtain a written report form. If you fail to follow this simple procedure, we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem. Should you wish to pursue the complaint further, BCH ABTOT have an Alternative Dispute Resolution scheme and full details are available from them. Please contact them at ABTOT 69 Leadenhall Street London EC3A 2BG.

19. Luggage

Please restrict your luggage to a suitcase weighing no more than 20 kgs per person. We cannot accept responsibility for loss or damage to luggage unless through our negligence. Please do not leave valuable items in your suitcase when left on the coach. Please contact us for our policy on mobility scooters.

20. Conditions Of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from us or the supplier concerned.

21. Advanced Passenger Information

A number of Governments are introducing new requirements for our suppliers to provide personal information about all travellers to the Authorities prior to travellers arriving at the destination. The data will be collected either at the time of or after a booking is made. Where we collect this data, we will treat it in accordance with our Privacy Policy.

Holiday Joining Points

Over the past months, our refreshed North Bound and South Bound pick-up routes have helped provide a smoother and more efficient start to many of our holidays, whilst still retaining all of our existing pick-up points for customer convenience.

In some areas, a small pick-up fee applies, where taxi or minibus transfers are required to connect passengers with the main coach, these charges help us recover a portion of the additional transport costs involved, and we continue to keep them as low as possible.

Our priority remains the same: to offer you a comfortable, well-organised and enjoyable beginning to your holiday. We thank you for your understanding and positive feedback following these changes, and please remember that our team is always happy to help you choose the most convenient pick-up point for your journey. Warm welcomes and wonderful holidays await you.
